Veteran Park District Building Blocks Preschool Discipline & Behavior Policy

Preschool plays an important role in teaching children social skills and how to interact appropriately with each other. Teachers incorporate these skills in the curriculum by modeling good manners and showing children how to respect each other. They work hard at preventing behavioral problems by arranging the classroom environment, so children are able to work in small groups and have large choice of activities. Teachers are also trained to direct behavior along appropriate channels and give ample praise for appropriate behavior. All parents and staff members sign a statement of understanding in regard to the Veterans Park Preschool Behavior Policy, included as part of your child's enrollment packet, so that a clear understanding exists between both parties. Therefore, our behavior policy is as follows:

1. The teacher will give a **verbal reminder** of the rules and explain to the child why their behavior is not appropriate.
2. If the behavior is demonstrated again, the child will be **re-directed** to another activity.
3. If that does not deter the repeated behavior, the child will be directed to a quiet area of the classroom to **"sit and think"** about what they have done (not to exceed one minute per year of the child's age.)
4. If the action or behavior is repeated after sitting out, a behavior report will be written, and the parent/guardian will be notified of their child's behavior, which must be signed at pickup.
5. After ***three behavior reports*** are made, a meeting with the parent/guardian will be scheduled and an action plan will be drafted by the Program Director and the child's classroom teacher(s). The parent/guardian is required to attend this mandatory meeting with the Program Director and teacher(s) to discuss the behavior(s) and how to implement the details of the action plan.
6. If the inappropriate behavior(s) continue(s) after the meeting and the action plan is implemented, resulting in ***two more behavior reports*** being written, the child **will be paused from Preschool** under the direction of the Assistant Director of Recreation/Program Director, Director of Recreation & Executive Director.
7. If the inappropriate behavior(s) continue(s), another mandatory meeting with the parent/guardian will be held to discuss additional resources available to assist the child's behaviors. The child may be transitioned out of the program and given referrals and resources to other agencies or facilities based on the recommendation of the Executive Director.
