## **Swim Days Tuesdays & Fridays (Included)**

**No swim day on the first Tuesday of every session (6/2, 6/23 & 7/14)**

Each camp participates in 2 swim days per week at Gouin Pool. Junior Counselors act as support to campers on pool days and will help with supervision and encourage appropriate water games. Your Junior Counselor swim days are noted on the camp calendar. They need to have their swimsuits, towel and sunblock on pool days. Proper swimsuits must be worn. **Cut-offs or non-swim shorts are not allowed in the water.** Campers can wear plain white t-shirts over their swimsuit. Goggles without nose/mouthpieces are allowed. If your child is not wearing proper swimwear, they will still accompany their camp to the pool, but will not be allowed to swim. **Junior Counselors need to be prepared to attend their pool days regardless of weather conditions in the morning.**

**Please do not forget sun block. We recommend spray block instead of lotion.** We advise sun block application prior to arrival at camp. **Counselors will remind Junior Counselors to reapply sun block throughout the day but is ultimately the responsibility of each Junior Counselor.** Your support in emphasizing this practice with your child is greatly appreciated.

**Junior Counselors are not allowed to apply sun block on any camper including another Junior Counselor.**

## **Gouin Pool Swim Test**

Safety is our top priority at the pool. Prior to entry into the pool all swimmers 15 years and younger will have their swimming ability tested and will be placed into one of two swimming categories designated by band color. \*This test is facilitated on their first day of swimming at camp.

**There are two levels of swim test:**

### **Swimmer GREEN WRISTBAND**

Swimmer jumps into water over his/her head and easily returns to the surface, Swim 25 yards unassisted front crawl or breast stroke and without resting while maintaining a positive body position and tread water for 30 sec. Swimmers receive a swim band on all swim days to their assigned category. Any swimmer that seems to have difficulty after receiving a green band, may be retested.

### **Non-Swimmer RED WRISTBAND**

15 years and younger who cannot demonstrate the Green Band skills are required to remain in 3ft.

## **Field Trips**

There are at least two Special Events or Field Trips in each session. These are chaperoned by camp staff only. It is mandatory that Junior Counselors wear his/her camp shirt on these dates. It is also mandatory to pack a lunch for your child on these days. Please remember to give your child at least \$10 for snacks (if applicable).

Camp staff is not responsible for individual camper's money or items brought from home. Buses are unable to wait for campers who are late on field trip days. If your child is not attending a Field Trip do not send him/her to camp that day, please remember to call in his/her absence.

There will be no supervision at the parks. Depending on which session your child/children is/are registered for will determine which Field Trips or Special Events they may attend. All Field Trips and Special Events are included in the session fee. If your child is not registered for that session, they may not attend that session's Field Trip or Special Event. Please understand that there will be **no supervision at their park on Field Trip or Special Event days while the Camp is off-site for a Field Trip/Pool Day.**

## **DCFS Child Abuse and Neglect Policy**

All Veterans Park District staff, regardless of position, are mandated DCFS reporters of any suspected child abuse and/or neglect; in accordance with Illinois state law. The day camp program is required to have a written policy indicating compliance with the law. A child is considered neglected if he or she is not provided with adequate food, clothing, medical attention or protection. If any of these conditions are suspected, the day camp staff are required to file a report with DCFS.

It is not the place of staff to determine if a child is or is not being abused and/or neglected, but rather only to report the suspected abuse and/or neglect to the proper authorities. Failure to report any suspected child abuse and/or neglect can result in criminal charges being brought up against the program and any involved staff members. If any staff member observes signs of suspected abuse and/or neglect, the staff person must indicate this in a written observation and immediately report the findings to the administrative staff.

## **Medical Information**

We are naturally concerned about your child's safety. When registering please indicate any special medical problems or allergies your child has, in order for camp staff to make the appropriate accommodations if necessary.

### **1. Illness**

If your child is ill or has a fever, we discourage their participation. If a child becomes ill during the program, a parent/guardian will be notified and asked to pick up their child. If the parent is unavailable, the emergency contact person will be called. Your child must be fever free for 24 hours before returning to camp. In case of a contagious disease, please notify Camp Staff immediately. All parents at that site will be notified as soon as possible. **A doctor's note must be given to your child's Camp Director before returning to camp.**

### **2. Medical Emergencies**

If your child is injured and requires more than basic first aid the following actions will be taken.

- Staff will call 911
- The parent or guardian will be contacted

- If the parent/guardian is not available, the person listed as the emergency contact will be called
- The injured child will be taken by paramedics to the nearest hospital

*You will be responsible for the emergency medical charges for all serviced rendered. Your authorization for the program staff to secure emergency medical care and your commitment for payment thereof is part of your registration agreement.*

### 3. Medications

In the event a child must have medications, the parent/guardian should do the following:

- List any and all medications on **page 16** of the Child Information Health History form at the time of registration
- Have medication in original container (the time and dosage should be legible) and put all directions in writing. Place everything in a plastic bag labeled with your child's name.
- Personally give medications to the Camp Director. Do not place medications in your child's lunch bag or backpack. **Do not rely on your child to hand in medications.** This is your responsibility. All medications are kept in a Camp office in a secure area.
- It is the parent/guardian's responsibility to notify the Camp Director and Camp Supervisor with any changes in medications

Camp staff are not allowed to administer any medication. If your child requires medication during their camp day you should inform the camp director and they will have you complete a medicine dispensing wavier. Daily staff will then be able to hold necessary medications on their person like an Epi Pen or Rescue Inhaler, but your child must be able to administer medication on their own. Other prescribed medications are kept in a designated area such as a locked cabinet or refrigerator depending on specific storage requirements.

### 4. First Aid

If a child incurs minor cuts, bumps, bruises, scrapes, etc., the staff will administer basic first aid and complete an Incident/Injury report. Basic first aid procedure consists of soap, water, Band-Aids and ice packs, etc. **All Camp Staff are certified in First Aid/CPR/AED.**

**Entry into the Jr. Counselor program is based on the completion and submission of Junior Counselor application and a successful interview.**

**Applicants will be called for an interview by the Day Camp Director. If accepted into the Jr. Counselor Program session deposit fees are due to reserve spot.**
